

FRIENDS IN NEED, Chapter 4 Part 2 – Walkthrough

By Vashaldias

Game: *Friends in Need*, by NeonGhosts

Game version: Chapter 4 Part 2

Walkthrough edition: 6 ([CHANGELOG](#))

I don't know how often (or whether) I'll be able to update this – it's probably best not to expect instant updates when new game versions are released. There are probably some errors here.

Coloured text means:

- [REFERENCE TO OTHER SCENES/ROUTES](#). Text like this should work as a clickable link.
- **RELATIONSHIPS** (e.g. “romance with Nicki”), as best I can determine.
- Character relationship stats (these affect how each encounter goes and what the girls are/aren't willing to do):
 - **INCREASE** or **DECREASE** of lust (or similar).
 - **INCREASE** or **DECREASE** of corruption/humiliation/abuse (or similar).
 - **INCREASE** or **DECREASE** of reluctance (or similar).
- **INCREASE** or **DECREASE** of player darkness points (these affect how selfish and cynical the main character is, and sometimes might affect what choices you have available).
- **OTHER MISCELLANEOUS EVENTS** (e.g. “found the card”) that might have some effect later.

General notes

- ❖ Not everything is explicitly listed – **if a choice isn't mentioned, it means I don't think it has any major long-term effects**. However, since the game is still in development, I don't always know what will matter, or how. It's possible that I've misinterpreted what something is measuring, and it's possible that something I say doesn't matter will end up mattering.
- ❖ There's a patch available for this game which considerably expands the choices available to you (mostly in the direction of rough, unethical options). This walkthrough does cover the patch, but distinguishes patch content from base-game content with `PATCH` tags and *grey, italic text*.
- ❖ If you want an overview of the various relationship states (romance, friends-with-benefits, etc.) that you can have with various characters, and indications of how to get them, see the [OVERVIEW OF RELATIONSHIPS](#) at the end.

Chapter One

Nicki's request

- You can choose to [BE KIND TO HER](#) or [HUMILIATE HER](#).
 - PATCH: *Or you can [USE VIOLENCE](#).*

Nicki: Kindness

- If you say that you want to be rough with her, she lets you slap her a bit.
- If you come when she gives you a blowjob, the encounter ends with that. If you say that you want to fuck her, things keep going. Either way, you've been [NICE TO NICKI](#).
 - PATCH: *If you try to put your cock in her ass, you can keep going even though she doesn't like it – you get **+2 NICKI RELUCTANCE** and **+3 DARKNESS**, and you're not being [NICE TO NICKI](#) anymore.*

Nicki: Humiliation

- PATCH: *Instead of being "nice but firm", you can be aggressive for **+1 DARKNESS**.*
- If you take the opportunity to reconsider, you switch to the [KINDNESS ROUTE](#).
- Promising her that you won't share the photos gives **+1 NICKI LUST**. Complimenting her gives another **+1 NICKI LUST**. Flattering her gives another **+1 NICKI LUST**. Doing all three means that you'll later be able to be [NICE TO NICKI](#), and she invites you to finger her in various places for money. Accepting that offer gets you another **+1 NICKI LUST** and some extra content, during which you get another **+1 NICKI LUST** if you oblige her request about hand-washing or offer more money after refusing.
 - PATCH: *You can make no promises, taunt her, and demean her. Doing any of these skips the fingering content and is necessary to stay on this route.*
- PATCH: *Instead of using money to get more out of her, you can assault her, which switches you to the [VIOLENCE ROUTE](#).*
- Depending on Nicki's lust:
 - If it's at least 3, she enjoys giving you a blowjob and starts to masturbate (which you can allow or not); if it's at least 4, she is willing to move on to sex, and you're considered to have been [NICE TO NICKI](#).
 - PATCH: *If her lust is enough to masturbate but not enough to have sex, you can assault her, which switches you to the [VIOLENCE ROUTE](#). If she is willing to have sex and you try to put your cock in her ass, you can then keep going even though she doesn't like it – you get **+2 NICKI RELUCTANCE** and **+3 DARKNESS**, and haven't been [NICE TO NICKI](#).*
 - If it isn't at least 3, the blowjob is meaner. If you come, it ends the scene, whereas if you tell her that she has to fuck you and that you're changing the deal, the scene continues. You can be rough or take it slowly. The scene ends when you come somewhere. You get **+2 NICKI RELUCTANCE** and **+3 DARKNESS**.
 - PATCH: *If you try to put your cock in her ass, you can then keep going even though she doesn't like it – this switches you to the [VIOLENCE ROUTE](#).*

Nicki: Violence

- You have various options (oral, vaginal, anal, slapping, spitting), some of which are repeatable and which can be done in different orders. The scene ends when you come somewhere; you get **+3 NICKI RELUCTANCE** and **+6 DARKNESS**.

Nicki relationship summary

- If you want a **ROMANCE** with Nicki (at least in the current version), you need to be **NICE TO NICKI**, which means taking the kindness route or (if you make the right choices) the humiliation route. Every other kind of relationship can eventually be obtained no matter what you choose here.

Chapter Two

Meeting Ashe

- Your conversation in the bar affects what Ashe will or won't do.
 - **+1 ASH RELUCTANCE** for being flirty.
 - **+1 ASH RELUCTANCE** for giving a flirtatious compliment.
 - **+1 ASH RELUCTANCE** for being rude, but **-1 ASH RELUCTANCE** for being kind.
 - **+1 ASH RELUCTANCE** for touching her waist.
 - **+1 ASH RELUCTANCE** for disagreeing with her.
- If you ask Ashe to come home with you, she'll accept if she has fewer than 3 reluctance points or if you threaten her job. Otherwise, you have **NO RELATIONSHIP** with her until [LATER](#).

Ashe: Alley

- If you got her to come with you by threatening her job, you can try to make her feel better or worse, but there are no lasting effects to it.
- You can kiss Ashe, and if you do, you can put your hand up her skirt. If you don't have any reluctance points with her, you get **+1 ASH LUST** and she's willing to have some fun. While doing that, calling her something degrading gives another **+1 ASH LUST**; and coming on her face and making her lick it up gives **+1 ASH RELUCTANCE**.
 - *PATCH: If you try to start something with Ashe but she turns you down, you can force her. This has various options you can cycle through. Alternatively, if she's willing to have sex and you try to deep-throat her while coming in her mouth, you can keep going despite her protests, which gives **+1 ASH RELUCTANCE**. Either way, you get **+3 DARKNESS** and the **ASSAULT** relationship. Ashe doesn't come home with you afterwards (so skip to the [DREAM](#)).*
- If you *don't* have sex with Ashe in the alley, you can give some money to a homeless person. If Ashe is with you, doing this gives **-1 ASH RELUCTANCE**.

Ashe: Your place

- **-1 ASH RELUCTANCE** for asking her advice about gifts for your sister.
- Depending on Ashe's lust and whether you stop her:
 - If you stop Ashe when she's about to leave and she has fewer than 3 reluctance points, she'll have sex with you. You get **+1 ASH LUST** if you smack her ass and

another **+1 ASH LUST** if you slap her or choke her (but **+1 ASH RELUCTANCE** and **+1 DARKNESS** if you don't stop it when she's had enough). You get the **ROMANCE** relationship.

- PATCH: *If you have at least 4 lust points with her, she asks you to roleplay. Agreeing gives **+1 ASH LUST**.*
- If you stop Ashe but she's reluctant, or if you don't stop Ashe, she goes home. You get the **JUST FRIENDS** relationship.
 - PATCH: *If you stop Ashe but she's reluctant, you can extort sex out of her anyway. You get **+1 DARKNESS** and the **EXTORTION** relationship.*

Ashe relationship summary

- **NO RELATIONSHIP / JUST FRIENDS**: If you left Ashe at the bar (either because you didn't ask her or because you didn't convince her); or if she just visited your home without anything happening.
- **ROMANCE**: If you took her home and she was happy to have sex and stay the night.
- **EXTORTION**: If you took her home, but she only had sex because you threatened her job.
- **ASSAULT**: If you attacked her in the alley (assaulting her after getting rejected, or forcibly deep-throating her during a previously-voluntary blowjob).

See also [OVERVIEW OF RELATIONSHIPS](#).

Dream

- This occurs if you didn't have sex with Ashe at home. No choices.

Barron Books and Madison's house

- Your choice in the bookstore and your later choices with Madison have no lasting effect.

Gabby's apology

- Talk with Gabby:
 - **+1 GABBY LUST** if you ask what's troubling her.
 - **+1 GABBY LUST** if you admit it.
 - **+1 GABBY LUST** and **-1 DARKNESS** if you're comforting.
 - **+1 GABBY LUST** if you compliment her.
 - **+1 GABBY LUST** if you ask about her art.
 - **+1 GABBY LUST** if you hug her, or if you rub her leg after already gaining at least 3 points; but **-1 GABBY LUST** if you rub her leg without the required points.
- When Gabby starts to leave:
 - If you pull Gabby back, push her down, and have at least 3 lust points, you can pull off her shorts and give her cunnilingus. If you stop instead of pulling off her shorts but you have at least 4 lust points, you get **+1 GABBY LUST** and give her cunnilingus anyway. Either way, you start her **ROMANCE** route.
 - PATCH: *If you pull Gabby back, push her down, and don't have enough lust points for her to willingly go further, you can pull your cock out anyway and make her give you a handjob. You get **+1 GABBY RELUCTANCE**, **+1 DARKNESS**, and her **DOMINATION** relationship.*

- If you let her go, or if you pull her back but then stop at some point (apart from the above exception), you can then hug her for **+1 GABBY LUST**, but the scene ends. You get the **JUST FRIENDS** relationship.
- Investigating the noise as you leave gives you a view of Madison, but has no lasting effect.

Gabby relationship summary

- **NO RELATIONSHIP / JUST FRIENDS**: If you let Gabby go to bed when she was tired.
 - **ROMANCE**: If you charmed Gabby, and you stopped her from leaving.
 - **DOMINATION**: If you didn't charm Gabby, but you stopped her from leaving anyway.
- See also [OVERVIEW OF RELATIONSHIPS](#).

Chapter Three

Nicki's return

- Lust points from your last meeting with Nicki don't carry over to this one.
- **+1 NICKI LUST** if you choose to be familiar.
- You get different options depending on whether you previously **HELPED NICKI** or not.
 - If you did: **+1 NICKI LUST** if you forgive her.
 - If you didn't: **-1 NICKI RELUCTANCE** and **-1 DARKNESS** if you apologise for your reaction so far.
- **+1 NICKI LUST** if you're nice to her in the bathroom.
- If you want to **TAKE ADVANTAGE OF NICKI** in the bathroom, you can grope her and then pull her panties down. This gets you **+1 DARKNESS** and a sex scene – you can choose between doggystyle, blowjob, and (if you have at least 3 darkness points) anal, and can cycle through them until you choose to come.
 - If you choose doggystyle, you can get **-1 DARKNESS** by being sweet to her.
 - If you choose a blowjob and have at least 3 darkness points, you can spit in her mouth.
 - If you choose anal, you get **+1 NICKI RELUCTANCE** and **+1 DARKNESS**.
 - *PATCH: If you have at least 6 darkness points, you can choose to make it hurt.*

Nicki relationship summary

- If you want a **ROMANCE** with Nicki (at least in the current version), you can't **TAKE ADVANTAGE** of her in the bathroom. Every other kind of relationship can eventually be obtained no matter what you choose here.
- See also [OVERVIEW OF RELATIONSHIPS](#).

Homeless kid

- **-1 DARKNESS** if you're generous.

Barron Books second visit

- If you have the **ROMANCE** relationship with Gabby, you can be sweet to her for **+1 GABBY LUST** and a bit of groping. If you have the **DOMINATION** relationship, you can undermine Madison for **+1 GABBY CORRUPTION**.
- Taking the left door allows you to rummage around in the bathroom. You can take some **ALLERGY PILLS** from the cabinet, and if you search the trash twice, you find some **EMPTY PILL BOTTLES** there. I don't know what effect(s) these will have in future.
- No choices in the talks with Madison or Brittani.
- Depending on your relationship status with Gabby:
 - If you have the **ROMANCE** relationship, you can get **+1 GABBY LUST** if you ask for details about what she did with her boyfriend. Separately, you can insist that she **ACCOMPANY YOU SHOPPING**. If you don't insist, you **SHOP ALONE**.
 - If have the **DOMINATION** relationship, you can proposition her – this gets you **-2 GABBY LUST** and **+1 GABBY RELUCTANCE**, and you keep your current relationship. Alternatively, you can be nice to her – this gets you **+1 GABBY LUST** and **+1 GABBY CORRUPTION**, and starts the **EXPLOITATION** (sugardaddy) relationship. You **SHOP ALONE**.

Gabby relationship summary

- **NO RELATIONSHIP / JUST FRIENDS**: Continues automatically.
 - **ROMANCE**: Continues automatically.
 - **EXPLOITATION**: If you previously extorted Gabby, but were nice to her this time.
 - **DOMINATION**: If you previously extorted Gabby, and propositioned her this time.
- See also [OVERVIEW OF RELATIONSHIPS](#).

Shopping: Gabby and Viola

- **+1 GABBY RELUCTANCE** if you insult Viola.
- In the changing room:
 - If you play with Gabby:
 - You can finger her ass – this gives **+1 GABBY RELUCTANCE** unless you've got 8 or more lust points with her (across all chapters), in which case she likes it.
 - If you come on her tits but then switch to her face, you get **+1 GABBY RELUCTANCE** unless you've got 8 or more lust points or you apologise afterwards. If you don't have the points, instead of apologising, you can get another **+1 GABBY RELUCTANCE**, **+1 GABBY CORRUPTION**, and **+2 DARKNESS** if you manipulate and degrade her.
 - If you don't play with Gabby, you still make out for a while.
- You get **NO RELATIONSHIP** with Viola yet. (Your relationship with Gabby is unchanged.)

Shopping: Viola (without Gabby)

- No choices with Pepper – she'll remember meeting you when you [SEE HER AGAIN](#), but it doesn't affect any outcomes so far.
- With Viola:

- If you just ask her advice, or you ask her to model but nothing further, you get the **JUST FRIENDS** relationship.
- If you ask Viola to model for you, you can offer her more money for a special show, which gives the **EXPLOITATION** relationship.
 - PATCH: *If you pay her to lick up after you, you get +1 VIOLA HUMILIATION and +1 DARKNESS.*
- PATCH: *After asking her to model, you can assault her. You have various options which you can circle through. You get +6 DARKNESS and the ASSAULT relationship.*

Viola relationship summary

- **NO RELATIONSHIP / JUST FRIENDS:** If Gabby is with you when you go shopping, or if she isn't, you don't do anything more with Viola than just asking her to model.
 - **EXPLOITATION:** If Gabby isn't with you, you ask Viola to model, and you pay for a special show.
 - **ASSAULT:** If Gabby isn't with you, you ask Viola to model, and you assault Viola.
- See also [OVERVIEW OF RELATIONSHIPS](#).

Swimsuit purchase decision

- Your choice of **WHICH SWIMSUIT** to buy will probably have an effect in future, but I don't yet know what.

Evening entertainment

- When looking up girls' social media photos, you can choose between Brittani, Gabby, Carolina, Ashe, and Cassie. Your choice could possibly have an effect beyond this scene, but I don't know that.
- Depending on your existing relationship:
 - If you were **NICE TO NICKI** (on her [FIRST APPEARANCE](#)) and you didn't **TAKE ADVANTAGE** of her in the bathroom (on her [SECOND APPEARANCE](#)), she offers sex. Accepting gets you the **ROMANCE** relationship, while declining gets you the **JUST FRIENDS** relationship.
 - If you weren't **NICE TO NICKI** and/or you **TOOK ADVANTAGE** of her in the bathroom earlier, you can summon her to your room for a blowjob, which gives the **DOMINATION** relationship. If you don't summon her, you get the **JUST FRIENDS** relationship. Either way, you continue to look at the social media photos of the girl you chose before.

Nicki relationship summary

- **JUST FRIENDS:** If you turned down Nicki's offer or didn't summon her to your room (as applicable).
 - **ROMANCE:** If you've been nice to Nicki, didn't take advantage, and you accepted her offer when she came to your room.
 - **DOMINATION:** If you haven't been nice and/or you took advantage of her, and you summoned her to your room.
- See also [OVERVIEW OF RELATIONSHIPS](#).

Halloween Special

Looking at photos

- Whether or not you look at Gabby's photos could potentially have some impact in future (but not necessarily).

Chapter Four, Part One

Nicki, Alex, and the hot tub

- The chapter starts differently depending on your relationship with Nicki. If you have a **ROMANCE**, you're having sex. If you have a **DOMINATION** relationship, you're getting a blowjob while she's in handcuffs, and there's a choice about where to come. If you are **JUST FRIENDS**, you're playing video games.
- In the hot tub, you have the option of just letting Nicki leave, but also have other options depending on your relationship.
 - If you're **JUST FRIENDS**, you can ask her for a date (which will presumably have some effect in future). You can also ask her for sex, which changes your relationship to **FRIENDS-WITH-BENEFITS** (if you're gentle) or **ABUSIVE FRIENDSHIP** (if you're hard on her). Going hard also gives **+1 NICKI ABUSE**.
 - If you're in a **ROMANCE** with her, you can ask for a date (which will presumably have some effect in future) or have sex with her.
 - If you have a **DOMINATION** relationship, you can demand sex.
 - **PATCH**: *After demanding sex, you can choose anal.*

Nicki relationship summary

- Friends:
 - **JUST FRIENDS**: Continues automatically unless you switch to one of the two new options below.
 - **FRIENDS-WITH-BENEFITS WITH NICKI**: If you were previously just friends, but asked for sex in the hot tub and were gentle.
 - **ABUSIVE FRIENDSHIP WITH NICKI**: If you were previously just friends, but asked for sex in the hot tub and were rough.
- **ROMANCE**: Continues automatically.
- **DOMINATION**: Continues automatically.

See also [OVERVIEW OF RELATIONSHIPS](#).

Diner first visit

- Having [MET PEPPER BEFORE](#) changes the conversation a little bit, but doesn't change any outcomes (at least so far).
- You can ask Pepper to **SIT DOWN WITH YOU**; if you do, you can ask her about her **BRUISE** (which makes her angry, but also gives **+1 PEPPER LUST**). Asking about the bruise affects the tone of some future interactions, but so far doesn't lock you into anything.
- You get **+1 PEPPER LUST** if you give her a 100-dollar tip.

Ashe skating

- Your reunion with Ashe varies depending on your relationship status.

- If you have **NO RELATIONSHIP** or are **JUST FRIENDS**, you can confirm that you'll be **JUST FRIENDS** or you can say tell her that you're **ROMANTICALLY INTERESTED** in her. (I don't think this guarantees you the **ROMANCE** route, but might allow you to get it later.)
- If you already have the beginnings of a **ROMANCE**, you stay on that path. Optionally, you can get **+1 ASHE ABUSE** if you choose to degrade her and **+1 ASHE ABUSE** if you grope her. (She doesn't like it, but I don't know the long-term effects of it.)
- If your prior relationship is **EXTORTION** or **ASSAULT**, there are no choices.

Ashe relationship summary

- **NO RELATIONSHIP / JUST FRIENDS**: Continues automatically (although if you say that you're romantically interested, I'm guessing you'll be able to switch later).
 - **ROMANCE**: Continues automatically.
 - **EXTORTION**: Continues automatically.
 - **ASSAULT**: Continues automatically.
- See also [OVERVIEW OF RELATIONSHIPS](#).

Brittani's photo shoot

- **+1 JAMIE HOSTILITY** if you deride him.
- Pressuring Brittani to sign the contract allows you to keep some photos later, and may possibly have other effects.
- **+1 JAMIE HOSTILITY** if you're rude to him.
- Your options for dealing with Jamie depend on your relationship with Gabby:
 - If your relationship with Gabby is **JUST FRIENDS**, **ROMANCE**, or **EXPLOITATION**, you have a choice: you can try to reason with Jamie about his treatment of her, or threaten him instead. Threatening him gives **+2 JAMIE HOSTILITY**. Regardless of which you choose, you can tell him to delete his pictures and videos of Gabby completely, or to **SEND YOU THE PHOTOS** first.
 - If your relationship with Gabby is **DOMINATION**, you automatically threaten Jamie and get his files.
 - **PATCH**: *You can watch a video featuring Jamie abusing Gabby.*
- When Brittani has finished with the first outfit, you can just move on to the next one, or you can ask for some topless photos (which gives **+1 JAMIE HOSTILITY**).
 - If you asked for topless photos, you can then grope Brittani under cover of giving her a towel, which gives **+1 BRITTANI RELUCTANCE** and **+1 JAMIE HOSTILITY**. If you *don't* do that, Brittani suggests removing her panties for some more photos.
- After the second outfit, refusing to delete any photos gives **+1 BRITTANI RELUCTANCE** and **+1 JAMIE HOSTILITY**, but if you pressured Brittani to sign the contract, you may be able to make use of the photos in future.
- A confrontation with Jamie happens eventually regardless of your previous choices. Afterwards, you can call Brittani a ride or make her finish the photoshoot.
 - If you call Brittani a ride:
 - If you don't have any reluctance points with her, she wants to have sex. You can reject her (citing the circumstances, her age, or other involvement), in which case you get **NO RELATIONSHIP** yet. If you pull off

her shirt, you can then decide whether you want her to be herself or roleplay as a goth (using Pepper's name) who is degrading you. You get the **SEX** relationship. Also, **JAMIE HATES YOU** now.

- PATCH: *You can also get her to roleplay as a schoolgirl (using Cassie's name) whom you are assaulting.*
- If you do have reluctance points with her, she leaves and you get **NO RELATIONSHIP** yet.
- If you make Brittani continue the photoshoot:
 - If your relationship with Nicki is **DOMINATION**, you can get her to bring something over before you continue. Once she does, you can choose to make her participate, resulting in an angel-and-demon photoshoot in which Brittani dominates Nicki for a while. After that, Brittani will suck on the toy for a while before continuing.
 - Continuing the shoot:
 - Continuing for a while but ending the shoot before anything serious happens gives you **NO RELATIONSHIP** yet, but **BRITTANI IS AFRAID** (unlike the other routes to getting no relationship).
 - PATCH: *Instead of ending the shoot, you can shove your cock in her mouth, and then choose where to come. You get **ASSAULT** relationship, and **JAMIE HATES YOU** too.*

Brittani relationship summary

- **NO RELATIONSHIP**: If you didn't continue the photoshoot after the altercation with Jamie, but had done something to make her reluctant; or, you *did* make her continue the photoshoot, but stopped before anything serious happened.
- **SEX**: If you didn't make her continue the photoshoot and hadn't done anything to make her reluctant. (I don't know exactly what this will turn into, hence the unhelpful label.)
- **ASSAULT**: If you made her continue the photoshoot and then put your cock in her mouth.

See also [OVERVIEW OF RELATIONSHIPS](#) (although this is actually it for now).

Evening calls

- Your call with Madison doesn't involve any choices; nor does any talk with Gabby (if you have a **ROMANCE**) or Ashe (if you're **JUST FRIENDS** or have a **ROMANCE**).
- If you text Nicki:
 - If you have the **DOMINATION** or **ABUSIVE FRIENDSHIP** relationship with her, you can tell her to send you a photo.
 - If you're **JUST FRIENDS**, **FRIENDS-WITH-BENEFITS**, or in a **ROMANCE**, she sends a photo automatically.

Chapter Four, Part Two

Photo review

- **+1 DARKNESS** and **JAMIE HATES YOU** if you send the pictures to Jamie as well.

- If you got Jamie to [SEND YOU HIS PHOTO COLLECTION](#) during the [PHOTO SHOOT](#), you have the option of looking through those photos now. You can choose not to see the ones with Jamie in them, if you prefer.
 - The basic photos are of Gabby, Tessa, Brittani, Madison, and an unidentified woman.
 - If you choose to look at *all* the photos, you see the above, plus some of Jamie with Brittani (unknowingly in front of a spectator) and of Jamie with Gabby.

Carolina's kids talk

- **+1 CAROLINA LUST** if you say that you want kids one day.
- **+2 CAROLINA LUST** if you engage with Maya.
- Your choices in both of the above cases could also have other effects in future.

Nicki at the diner

- If Nicki was involved in Brittani's [PHOTO SHOOT](#), she comments on your bruise – your response could have an effect in future. You get **+1 DARKNESS** if you make her look at the photos; if you do, you then get another **+2 DARKNESS** if you **MOCK** her (which also cuts off an option to change your relationship [LATER](#)).
- Defending Pepper or not probably doesn't have any long-term effect.
- If you're in a [ROMANCE](#) with Nicki, you have an opportunity to **BE ROMANTIC** – if you do, you can reaffirm it [LATER](#).

Questioning Pepper

- If Pepper [GOT ANGRY](#) at you because you asked about her [BRUISE](#), you get **-1 PEPPER LUST** if you're stern about it now.
- When she denies the accusation:
 - Letting her get back to work immediately gives **+1 PEPPER LUST**; forcing her to stay but then relenting leads to the same place, but you don't get the point.
 - If you have 3 relationship points with her, she tells you about her dad.
 - If you offer her help, you get a **POSITIVE** relationship; otherwise, you get no **NO RELATIONSHIP** yet.
 - Regardless of choices, you find **RYAN'S CARD**.
 - Forcing her to stay and then searching her gives **-1 PEPPER LUST**.
 - *PATCH: You can turn it into a strip search, and either slap her ass or tell her to twerk. If you that's all you do, you get the **EXPLOITATION** relationship (plus **+1 PEPPER RELUCTANCE** if you threaten her into silence); alternatively, having 6 or more darkness points allows you to keep going – you get another **+2 DARKNESS** and three options for roughing her up and binding her.*
 - *If you stop there, you make her record some fake dirty talk as insurance. You get the **EXPLOITATION** relationship.*
 - *If you assault her, you can cycle through three different options. When you finish, you write on her and take some photos. You get the **ASSAULT** relationship.*

- Also, any of the above outcomes except immediately letting her get back to work without being lewd or stripping her but then bribing her will mean that **PEPPER DISLIKES YOU**.

Pepper relationship summary

- **NO RELATIONSHIP**: If you let her get back to work and didn't offer help.
 - **POSITIVE**: If you let her get back to work and offered help. (I'm just guessing as to what this relationship will turn out to be, so I can't really label it properly.)
 - **EXPLOITED PEPPER**: If you strip-searched her but didn't go further.
 - **ASSAULTED PEPPER**: If you strip-searched her and then assaulted her.
- See also [OVERVIEW OF RELATIONSHIPS](#) (although this is actually it for now).

Food bank

- If you (unnecessarily) offer to help Wren up, you learn a little about her accident – there could also be other effects in future.
- If you have a **ROMANCE** with Ashe, you learn that she and Wren are friends.
- Your first choice regarding the guy who took Mason's backpack probably won't make a long-term difference; the second choice might, but I don't yet know what.

Barron Books third visit

- If your relationship with Gabby is **EXPLOITATION** or **DOMINATION**, you have the option of changing it now.
 - If your relationship is **EXPLOITATION**, you can continue it by striking a deal in which she becomes your sugarbaby. If you'd rather, though, you can ask to be **JUST FRIENDS** instead (although **GABBY IS AFRAID**).
 - If your relationship is **DOMINATION**, you can continue it by telling Gabby that she's your slave. Alternatively, you have **JUST FRIENDS** or **EXPLOITATION** options similar to the above (although the latter results in a second choice between the same basic options, and **GABBY IS AFRAID** regardless of your choice).
- If you're **JUST FRIENDS** with Gabby or are starting a **ROMANCE**, she asks about Jamie **DELETING** his photos of her. You get **+1 GABBY LUST** if you take credit, but **+2 GABBY LUST** and **-1 DARKNESS** if you don't.

Gabby relationship summary

- **JUST FRIENDS**: Continues automatically; or if you've been exploiting/dominating her but you now ask to be friends.
 - **ROMANCE**: Continues automatically.
 - **EXPLOITATION**: Continues automatically unless you switch to **JUST FRIENDS**.
 - **DOMINATION**: Continues automatically unless you switch to **JUST FRIENDS** or **EXPLOITATION**.
- See also [OVERVIEW OF RELATIONSHIPS](#).

Mason at the studio

- Optionally, you can get a blowjob from Mason.

- If you accept, you can decide while doing so whether to acknowledge Mason's gender. If you don't follow Mason's preference during the blowjob, you'll get a chance to start doing so at some point after you're finished.
 - If you agree to cuddle after the blowjob:
 - If you're respecting Mason's wishes about gendering (either from the start or from now), you get the **ROMANCE** relationship.
 - Otherwise, you have the option of molesting Mason (which gets **+1 DARKNESS** and the **EXPLOITATION** relationship) or just asking Mason to work (which gets the **JUST FRIENDS** relationship).
 - If you don't agree to cuddle:
 - If you offer help without strings, you can kiss Mason (which gets the **ROMANCE** relationship) or not (which gets the **JUST FRIENDS** relationship).
 - If you suggest a lewd repayment, you get the **EXPLOITATION** relationship status.
- If you don't accept the blowjob at all, you can offer help without strings (which gets the **JUST FRIENDS** relationship) or suggest a lewd repayment (which gets the **EXPLOITATION** relationship).
- If you ended up with **EXPLOITATION**, you can decide what to do about Mason's lack of birth control – your choice might make a difference in future.

Mason relationship summary

- **NO RELATIONSHIP / JUST FRIENDS:** If you decline the blowjob but offer to help; or, if you agree to a blowjob and a cuddle while not respecting Mason's gendering preferences, but don't try anything more; or, if you accept the blowjob and don't cuddle, but offer help (without a kiss).
 - **ROMANCE:** If you agree to a blowjob and a cuddle while respecting Mason's gendering preferences; or, if you accept the blowjob and don't cuddle, but offer to help and give a kiss.
 - **EXPLOITATION:** If you agree to a blowjob and a cuddle while not respecting Mason's gendering preferences, and choose to molest Mason; or, if you suggest a lewd repayment after declining to cuddle or declining a blowjob altogether.

Carolina's thanks

- You can ask for an unspecified future favour, or ask Carolina out. If the latter, she says "yes" or "maybe" depending on whether you have two or more points with her – I don't know what the long term difference will be. Regardless, she says that she'd need a babysitter for Maya, and you can suggest:
 - Gabby, if your relationship is **JUST FRIENDS** or **EXPLOITATION**. **+1 CAROLINA LUST.**
 - Viola, if your relationship is **NO RELATIONSHIP / JUST FRIENDS**, or if it's **EXPLOITATION** and you didn't get a humiliation point. **+1 CAROLINA LUST.**
 - Brittani, if you have **NO RELATIONSHIP** (and she isn't afraid of you) or had **SEX** with her. **+1 CAROLINA LUST.**

- Pepper, if you have **NO RELATIONSHIP** (and she doesn't hate you). **+1 CAROLINA LUST**, plus another **+1 CAROLINA LUST** if you asked Pepper to **SIT WITH YOU** when you first [VISITED THE DINER](#).
- Nicki, if you have any status with her *except* a **ROMANCE**. **+2 CAROLINA LUST**.
- Finding someone online. **-1 CAROLINA LUST**.

Nicki and Maya

- If your relationship with Nicki is **DOMINATION** or **ABUSIVE FRIENDSHIP**, you can give an opinion on her appearance, but it probably doesn't have a long-term effect.
- If you said something **ROMANTIC** to Nicki [AT THE DINER](#), you have the option of reaffirming it now. This will presumably have an effect in future.
- If your relationship with Nicki is **DOMINATION**:
 - Provided you didn't mock her at the diner, you can switch to having an **ABUSIVE FRIENDSHIP** by praising her or teasing her.
 - If you *did* mock her, you can apologise, with no status change.
 - Regardless of what happened at the diner, you can molest her. If you then apologise, you switch to having an **ABUSIVE FRIENDSHIP**.
 - PATCH: *Instead of apologising, you can assault her.*

Nicki relationship summary

- Friends:
 - **JUST FRIENDS**: Continues automatically.
 - **FRIENDS-WITH-BENEFITS**: Continues automatically.
 - **ABUSIVE FRIENDSHIP**: Continues automatically; or, if you've had a **DOMINATION** relationship but have been nice enough to her.
 - **ROMANCE**: Continues automatically.
 - **DOMINATION**: Continues automatically, unless you switch to an **ABUSIVE FRIENDSHIP**.

Picking up Ashe

- Your visit goes differently depending on your history with her.
 - If you have **NO RELATIONSHIP** or are **JUST FRIENDS** (including if you [TOLD HER](#) that you were **ROMANTICALLY INTERESTED**), you pick her up without being introduced to her parents or going to her room.
 - If you have a **ROMANCE** with her, you are introduced to her parents and visit her room. You can make a move on her there. If you do, your options are to gag her and go down on her, or get a blowjob.
 - If you go with the blowjob, you can get **+2 ASHE LUST** for degrading her. If you do that, you can choose between slapping her for another **+1 ASHE LUST**, or threatening her – your choice of threat may make a difference at some point, and threatening to use her ass gives another **+1 ASHE LUST**.
 - If your relationship is **EXTORTION** or **ASSAULT**, you introduce yourself to her parents and bribe/threaten her into going on a date. If your relationship is **ASSAULT**, you can either be comforting or strangle her, but I don't think it makes a long-term difference. There's no sex yet.

- If you got one of the routes above where you meet her parents, you can choose how to touch Ashe as you're saying goodbye to them.
 - Rubbing her back gives **+1 ASHE LUST** if you're in a **ROMANCE**, or gives **+1 ASHE RELUCTANCE** if your relationship is **EXTORTION** or **ASSAULT**.
 - Grabbing her ass gives **+2 ASHE RELUCTANCE** regardless.
- This is the end of current content.

Overview of relationships

This section tries list the relationships you can have and how you can get them. Don't put too much reliance on the labels here – it could be that I'm wrong about where a relationship is actually going.

Nicki

- **JUST FRIENDS:**
 - On the **EVENING** she returns, don't accept her offer of sex and don't summon her to your room (whichever of those applies).
 - Don't have sex in the **HOT TUB**.
- **FRIENDS-WITH-BENEFITS:**
 - On the **JUST FRIENDS** route, have gentle sex in the **HOT TUB**.
- **ABUSIVE FRIENDSHIP:**
 - On the **JUST FRIENDS** route, have rough sex in the **HOT TUB**.
 - Alternatively, on the **DOMINATION** route, **PRAISE/TEASE HER** after not having **MOCKED** her about the **PHOTO SHOOT**, or else apologise after **MOLESTING** her.
- **ROMANCE:**
 - **HELP NICKI** and don't **TAKE ADVANTAGE** of her when she returns, then accept her subsequent **OFFER OF SEX**.
- **DOMINATION:**
 - **HUMILIATE OR ASSAULT NICKI** and/or **TAKE ADVANTAGE** of her when she returns, and then **SUMMON HER** to your room.
 - After **NICKI PLAYS VIDEOGAMES WITH MAYA**, don't be too nice.

Ashe

- **NO RELATIONSHIP / JUST FRIENDS:**
 - Leave the **BAR** without Ashe, or don't persuade/threaten Ashe into doing anything after **BRINGING HER HOME**.
 - When you see her out **SKATING**, you probably shouldn't express romantic interest unless you want to switch to the **ROMANCE** route at a later point. (I'm not sure about the future effect of this one, but it seems logical.)
- **ROMANCE:**
 - Bring Ashe home from the **BAR** and have her **STAY THE NIGHT** with you.
 - Alternatively, you will probably be able to switch to this route from the **NO RELATIONSHIP** route if you say that you're interested in her romantically when you see her out **SKATING**.
- **EXTORTION:**
 - Bring Ashe home from the **BAR** and **THREATEN HER JOB**.
- **ASSAULT:**
 - Leave the **BAR** with her and assault her in the **ALLEY**.

Gabby

- **NO RELATIONSHIP / JUST FRIENDS:**
 - Let her go after her [APOLOGY](#).
 - Alternatively, you can switch to this route from **EXPLOITATION** or **DOMINATION** routes if you ask to be friends on your [THIRD VISIT](#).
- **ROMANCE:**
 - Gain enough affection with her during her [APOLOGY](#), then don't let her go.
- **EXPLOITATION:**
 - On the **DOMINATION** route, be nice to her on your [SECOND VISIT](#).
 - Don't say that you just want to be friends on your [THIRD VISIT](#).
- **DOMINATION:**
 - Don't gain much affection with her during her [APOLOGY](#), then don't let her go.
 - On your [SECOND VISIT](#), don't be nice to her.
 - On your [THIRD VISIT](#), don't ask to be friends or ask her to be your sugarbaby.

Viola

- **NO RELATIONSHIP / JUST FRIENDS:**
 - Take Gabby [WITH YOU](#) when you go [SHOPPING](#), or don't do anything more than asking Viola to model.
- **EXPLOITATION:**
 - Go [SHOPPING](#) without Gabby, get Viola to model, and pay for a special show.
- **ASSAULT:**
 - Go [SHOPPING](#) without Gabby, get Viola to model, and assault her.

Brittani

- **NO RELATIONSHIP:**
 - Make Brittani continue the [PHOTO SHOOT](#) (but without going too far), or do something to make her wary of you before you let her leave.
- **SEX** (exact relationship to be determined):
 - Don't do anything to make her wary of you during the [PHOTO SHOOT](#), and don't make her continue it.
- **ASSAULT:**
 - Make Brittani continue the [PHOTO SHOOT](#) and then assault her.

Pepper

- **NO RELATIONSHIP / JUST FRIENDS:**
 - Don't [SEARCH HER](#), but don't say anything about helping her.
- **ROMANCE:**
 - Don't [SEARCH HER](#), and tell her to ask if she needs help.
- **EXPLOITATION:**
 - [STRIP-SEARCH HER](#) but don't assault her.
- **ASSAULT:**
 - [STRIP-SEARCH HER](#) and assault her.

Mason

- **NO RELATIONSHIP / JUST FRIENDS:**
 - Decline the [BLOWJOB](#) but offer to help. Or, agree to a blowjob and a cuddle while not respecting Mason's gendering preferences, but don't try anything more. Or, accept the blowjob and don't cuddle, but offer help (without a kiss).
- **ROMANCE:**
 - Agree to a [BLOWJOB](#) and a cuddle while respecting Mason's gendering preferences. Or, accept the blowjob and don't cuddle, but offer to help and give a kiss.
- **EXPLOITATION:**
 - Agree to a [BLOWJOB](#) and a cuddle while not respecting Mason's gendering preferences, and choose to molest Mason. Or, suggest a lewd repayment after declining to cuddle or declining a blowjob altogether.
